To: The Honorable Judge,

I am writing this letter on behalf of my dear friend, Barry Williams. I want to bring to your light the kind of person that he is despite the allegations he has faced in recent times. I have known him for the past several years. He is a true gentleman and is always true to his words. His enthusiasm to do well by others has led to many good works in society as a son, father, brother, husband and friend. I am very much aware of the charges that he is facing and the consequences of those, but after analyzing the current situation, I would like to plead for leniency. He is a well-mannered gentleman, and I am sure he will learn from this experience.

I hope you look into this matter and consider this character reference letter before passing on any verdict. Barry will strive to make amends and I am certain we will get to see his good works bring fruitful results towards our society.

Thank You,  
Cynthia Munoz

Subject: Character reference letter for court

Respected authorities

I, Brian Danesi am writing this letter to you to provide a character reference about Mr. Barry Williams, who I know as a friend and as a colleague for a period of 7 years. I provide this reference in full knowledge of Mr. White's charge of Narcotics Conspiracy/

I can say it with total confidence that few men have contributed to the society in a way that Mr. Williams has. Even though I came into his association through work but I have also known him outside it. Apart from being the brand manager at Effectus Clothing the company that I own, which we worked side by side He is a kind, polite and excellent person.

I believe that putting Mr Williams in prison for a long period of time would be a strain on our legal system for non violent offenders. I please ask you to give mercy on my employee and good friend.

Respectfully,

Brian M Danesi
